DETAILED ACTION

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Jennie Shufelt on 03/29/06.

- 1) Claim 9 has been cancelled.
- 2) "composition," (claim 1, line 5) has been changed to: --composition, located between said arched opening and said plurality of openings;--.
- 3) "said guide tool;" (claim 12, line 7) has been changed to: --said guide tool, wherein said concavity is located between said arched opening and said plurality of openings;--.

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

The closest prior of record include:

Art Unit: 3663

M. Waranch (3,087,984) discloses a guide tool (50) of solid composition for organizing and identifying a plurality or pluralities of wires or cables (18), said guide tool (50) comprising:

- (a) an arched opening (see FIG. 1) at an edge of said guide tool (50);
- (b) a plurality of openings (17, 19 & 20) arranged in a spaced apart curvilinear relationship;

wherein said arched openings and said plurality of openings are spatially arranged on said solid composition so that a plurality of wires or cables (18) may temporarily be inserted through said plurality of openings and that said guide tool (50) may be moved along said plurality of wires (18) while a bundle of wires or cable (18) may simultaneously pass through said arched openings (see FIG.1).

However, Waranch is lacking the following limitations as claimed in claim 1:

- (c) a concavity in said solid composition, located between said arched openings and said plurality of openings.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
